MEMORANDUM FOR THE RECORD

SUBJECT: Review of Applicant Instruction Sheet (Form 444f)

STATINTL

STATINTL
1. [redacted] advised me this morning of the proposal to remove from subject form the applicant's option to defer completing it until the time of his physical examination. She presented a copy of [redacted] memo to D/Pers of 15 May 1972, with OMS concurrence and D Pers approval. None of these papers in hand contain evidence of consideration of the basic question of invasion of privacy (which had been the root cause of providing the employee's option).

2. I was unable to reach [redacted] to discuss this aspect of the proposal; however, [redacted], C/RD, assured me that this issue had been very thoroughly considered by D/Pers and D/MS, and that the elements of the option had been agreed to by Mr. Coffey, the DD/S.

3. Later, [redacted] confirmed this also.
